

**Join our business community to invest in the future of our nation.  
Support the Lee Kuan Yew Centennial Fund.**

Greetings from the Singapore Business Federation (SBF) and SBF Foundation, the Social Impact Arm of the Singapore Business Federation. We are collectively galvanizing Singapore's business stalwarts to invest in the future leaders of our nation by supporting the Lee Kuan Yew Centennial Fund which is administered by MOE.

To encourage donations to the Lee Kuan Yew Centennial Fund, the Government will provide one-off dollar-for-dollar matching, capped at a total of S\$50 million.

**Lee Kuan Yew Centennial Fund**

The Fund supports the development of Singapore youth to become visionary leaders with the imagination and determination to shape Singapore's future as an exceptional nation.

It will be used to support three education-related initiatives to develop and recognise young leaders in Singapore:

- (i) Singapore Young Leaders Programme (managed by the Ministry of Education);
- (ii) Expansion of Lee Kuan Yew Scholarship Awards (managed by Lee Kuan Yew Scholarship Fund (Company Limited by Guarantee) Board of Directors); and
- (iii) Lee Kuan Yew Post-Graduate Scholarship for Urban Greenery and Ecology (managed by the National Parks Board);

as well as any other education-related initiatives in future.

Education was a cause dear to Mr Lee Kuan Yew's heart and he remained unwavering in his belief "to develop Singapore's only available natural resource, its people". We have an opportunity to continue this legacy.

The Lee Kuan Yew Centennial fund is a befitting tribute for the business community to underscore our commitment to developing the younger generation of Singaporeans leaders who can shape a better, brighter future for our nation.

We seek your support. Join us to kick-start our investment for a better tomorrow, today. More details are available [here](#) and a donation form is available below.
